

## FBI Warns of Growing Vacant Property Fraud Scheme

A recent FBI warning highlights a growing fraud scheme in which criminals impersonate landowners and attempt to sell vacant property without the owner's knowledge. Using fake identification, email accounts, and phone numbers, scammers pose as legitimate property owners to deceive real estate professionals and buyers. The article outlines warning signs to watch for and serves as another reminder of the importance of staying vigilant against property fraud. Click below to read the full article and learn more about this emerging threat.
